

Organised by:

# CIS 7 ASSESSOR COMPETENCY COURSE LEVEL 1

*(Previously known as QLASSIC Assessor training course)*

## QUALITY ASSESSMENT SYSTEM IN CONSTRUCTION (QLASSIC)

is a certification scheme developed by CIDB and assessment is carried out based on the Construction Industry Standard (CIS 7) to measure quality level achieved in a completed project.

As part of CIDB efforts in ensuring and delivering high quality level achieved in a completed projects as reflected in high QLASSIC score of projects as reflected in high QLASSIC score of projects, the one and half day CIS 7 Assessor Competency Course on theory (online training) for Construction Site Personnel provides necessary knowledge to enable participants to system or method to measure and evaluate the workmanship quality of a building construction work based on Construction Industry Standard (CIS 7). QLASSIC enables the quality of workmanship between construction projects to be objectively compared through a scoring system.

## OBJECTIVE

This course aims to enable participants to acquire adequate skills on the CIS 7 and procedures of QLASSIC and adopt the right strategy to encourage the project team typically the contractor to produce quality buildings. Successful participants also will have opportunity to become QLASSIC Industry Assessor once completed level 2.
